

MANUFACTURER'S DECLARATION OF CONFORMITY

TRI-MATIC declares that to the best of our knowledge all **Protect-Air Products** supplied comply with the following directives:

2011/65/EU -- CE RoHS

2012/19/EU – WEEE

1907/2006/EU – REACH

These European Standards cover the ban and restrictions on the use of certain substances in electronic equipment (RoHS), restrictions on the flow of waste (WEE) and evaluation, authorization and restrictions of chemicals (REACH).

Protect-Air Products:

HoseGuard®
SaveAir®
ToolReg®
CartReg®
FluidReg®
EcoReg®

The survey we conducted with all our suppliers in order to verify their position regarding these regulations has stated their compliance.
